

Kenrick Braithwaite Sr.

Managing Director

Mr. Kenrick L. Brathwaite Sr. joined Bank of the Bahamas September 3, 2018 and brings a wealth of knowledge and experience to the role of Managing Director, having worked for two other financial institutions for over 40 years. He has held senior positions in Operations, Branch Management, Consumer & Commercial Credit, Internal Audit and Credit Risk during his career.

In his role he will continue to chart the growth of Bank of The Bahamas and build on a strategic platform that is underpinned by customer service, improved efficiencies and sustainable growth.

He has received specific training in many areas of banking. He attended the Richard Ivy School of Business and is a graduate of the CBA Executive Banking School. He is an *alumni* of the University of The Bahamas (College of the Bahamas) and holds a Master of Business Administration degree in International Banking and Finance from McHari Institute.
